INTRODUCTION

This catalog shows the large variety of carved wood and high-density urethane (HDU) signs and plaques we offer. There are many design options; we will be pleased to help you select the best sign or plaque for your application.

We show over 600 photos in this catalog we have made, and we have another 7000 designs available. However, all our designs are custom, and we will create a unique design for you. We can also design a custom sign based on a photo of an existing sign or a sketch. We have a wide range of unique custom designs and we use only premium materials. We create beautiful, attractive and unique three-dimensional (3D) carved and 2.5D sandblasted signs, with letters & art elevated (raised) or engraved (incised or V-carved) into the sign.

Whether you're looking for a simple residence sign or plaque, or much larger and complex signs for your business or office, we can handle projects of any size.

Our signs range from very simple, inexpensive routed text and sandblasted signs to more complex 3D signs. We make our signs and plaque substrates from wood (redwood, cedar, mahogany, maple, cherry, and vintage barn wood); synthetic wood equivalents (HDU), plastics (color-core HDPE, acrylic, PVC), MDO/HDO, and aluminum sheet. We can paint them in vibrant, long-lasting colors, adhere printed vinyl decals to our dimensional signs, stain them (wood only), or metal-coat them in bronze, brass, copper, silver-nickel, or aluminum. We can gild letters with 24K gold or silver leaf. We also make composite signs out of two or more materials.

We use only the finest materials. We make our HDU signs out of extra-strength 20lb/ft³ and 30 lb/ft³ Precision Board Plus. We use prime-grade kiln-dried heartwood for Redwood & Cedar, and furniture-grade wood for other species. Our paints are Matthews Acrylic Paint and 1-Shot Sign Enamels, the best and longest-lasting sign paints available, and we use Minwax stains. We guarantee your finished signs will be faithful to the proofs you approve, will exhibit the best craftsmanship, and will be long-lasting. We have a 2 year warranty on all signs (excludes high winds, vandalism or physical impact). Creativity, excellent craftsmanship, professionalism, attention to detail, outstanding customer service, and affordable prices are what you can expect when you work with us.
